by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. The general assembly finds and declares that enactment of this act is necessary:

(1) To provide safety for all persons using the highways of this state by quickly revoking the driving privilege of those persons who have shown themselves to be safety hazards by driving with an excessive concentration of alcohol in their bodies; and

(2) To guard against the potential for any erroneous deprivation of the driving privilege by providing an opportunity for administrative review prior to the effective date of revocation, and an opportunity for a full hearing as quickly as possible after the revocation becomes effective.

SECTION 2.

(a) The department shall revoke the license of any person upon its determination that the person drove or was in actual physical control of a motor vehicle while the alcohol concentration in the person's blood or breath was one-tenth of one percent (0.10%) or more. For purposes of this act, alcohol concentration shall mean either grams of alcohol per one hundred (100) milliliters of blood or grams of alcohol per two hundred ten (210) liters of breath.

(b) The department shall revoke the license of any person upon its determination that the person refused a test to determine alcohol concentration in a person's blood as provided in Section 55-10-406.

(d) The determination of these facts by the department is independent of the determination of the same or similar facts in the adjudication of any criminal charges arising out of the same occurrence. The disposition of those criminal charges shall not affect any revocation under this section.

**SECTION 3.**

(c) Where a license is revoked under this section and the person is also convicted on criminal charges arising out of the same occurrence for a violation of Section 55-10-401, both the revocation under this section and the revocation under Section 55-10-401 shall be imposed, but the periods of revocation shall run concurrently, and the total period of revocation shall not exceed the longer of the two (2) revocation periods.

**SECTION 8.**

(a) Upon receipt of the information provided by the law enforcement officer as required in Section 3(a), the department shall automatically conduct an administrative review and make a determination pursuant to Section 2 of this act.

(b) In such review, the department shall give consideration to all available information. (a) Any person who has received a notice of proposed revocation may, within twenty (20) days of receipt of the notice, make a written request for a hearing on forms provided by the department to the address provided on the form. If the person's driver license has not been previously surrendered, it must be surrendered at the time that request for hearing is made. A request for hearing does not stay the license revocation.

(b) The hearing shall be scheduled for a date within thirty (30) days of receipt of the request for a hearing. The hearing shall be held at a place designated by the department as close as practicable to the place where the arrest occurred, unless the parties agree to a different location. The department shall provide a written notice of the time and place of the hearing to the party requesting the hearing at least ten (10) days prior to the scheduled hearing, unless the parties agree to waive this requirement.

(d) The sole issue at the hearing shall be whether by a preponderance of the evidence the person drove or was in actual physical control of a motor vehicle while having an alcohol concentration of one-tenth of one percent (0.10%) or more, or the person refused a chemical analysis test. If the presiding hearing officer finds the affirmative of this issue, the revocation order shall be sustained. If the presiding hearing officer finds the negative of the issue, the revocation order shall be rescinded.

(e) The hearing shall be recorded. The decision of the presiding hearing officer shall be rendered in writing, and a copy will be provided to the person who requested the hearing.

(f) If the person who requested the hearing fails to appear without just cause, the right to a hearing shall be waived, and the department's earlier determination shall be final.

(g) Witnesses under subpoena shall be entitled to the same fees as are now or may hereafter be provided for witnesses in civil actions in the circuit court and, unless otherwise provided by law or by action of the agency, the party requesting the subpoenas shall bear the cost of paying fees to the witnesses subpoenaed.

(h) The department of safety shall reimburse any governmental agency expenses incurred while testifying in hearings authorized by this act, when the department of safety subpoenas the governmental agency's representative. Funds for such payments shall be paid from the expendable receipts collected by the department under Section 55-12-129.
